THE ARGUMENT ON

Attorney B. B. Golden Mercilessly Scores Ewen, Principal Witness in the Feud Cases.

HE ENACTED A DRAMATIC SCENE.

The Murdered Man's Brother, of Indian Territory, Spoke Several Hours For Prosecution.

His Effort Was a Fierce Denunciation of Criminals and of the Crime of Assassination—Advocated the Death Penalty.

Cynthiana, Ky., Aug. 11.—In the case of commonwealth of Kentucky versus Curtis Jett and Thomas White, now on trial in this place for alleged assassination of J. B. Marcum at Jackson, Breathitt county, Ky., on the 4th day of May last, Judge Lafferty, who finished his speech Monday morning, made a telling one. He referred to instances in the history of crimes where innocent men had been executed. He pleaded with the jury not to inflict the death sentence, as it was not in consonance with the highest principles of Christianity as taught in the Scriptures. He referred to a case which happened in this county in 1848, where an innocent man was hung within a quarter of a mile of town for the alleged killing of his wife, and in which in after years on his death bed a neighbor confessed his guilt of the crime.

Thomas D. Marcum, at present a member of the national democratic committee from Indian territory, spoke for about three-quarters of an hour, until dinner hour, when court was adjourned. Mr. Marcum started his speech again at 1:30 and at 3 p. m. finished. His morning effort was a fierce denunciation of the criminals and of the crime of assassination and he spoke with telling effect in answer to Lafferty's argument that the infliction of the death penalty was wrong in principle. Marcum referred to the Bible where he claimed God himself had declared that "Who so sheds man's blood by man shall have his own blood shed." His speech was a magnificent effort for his side of the case, but at the afternoon session he seemed drowsy and hardly spoke above a whisper to the jury, so that none of the audience could hear him. He spoke slowly and quit at 3 p. m. At this hour Capt. Ben B. Golden started his argument and he has made a good impression on the jury. The effort of J. S. Webster of Saturday for the defense seems to rankle in the hearts of the defense, as all of the attorneys who have spoke since that time on the opposite side to Webster have taken great pains to answer him. Golden was merciless to Ewen, the main witness of the prosecution, whom it was proven on the stand had been talked of in connection with a lady of his home town. Golden, in a moment of great passion, said that he wanted the gentlemen of the papers to tell to the world on the morrow that a new word was coined in Kentucky by this infamous scoundrel of a witness and that word was Ewenism, which signified everything dirty, low and which main object was the debauchment of women and the destruction of happy homes. In a dramatic moment he crossed the side of the room and, holding Curtis Jett's hands, said to him: "They charge that you have bloody hands, that you are a bloody murderer and a red-handed assassin."

WOMAN BURNED TO DEATH.

She Put a Lighted Pipe in Her Petticoat Pocket.

Springfield, Ill., Aug. 11.—Because she failed to knock the half-burned tobacco from a pipe before she put it in her petticoat pocket, Mrs. Taylor Greening, 64 years old, Monday sustained burns that caused her death. Mrs. Greening and her husband were driving to Loami in a wagon. Just before they reached town, Mrs. Greening, who had been smoking, removed the pipe from her mouth and, believing that the tobacco was not on fire, placed it in her pocket. In a few minutes her clothes were ablaze and the woman inhaled the flames before her husband could smother them. Mrs. Greening had lived near Loami for 60 years and had smoked a pipe most of the time.

A Threatened Triple Lynching.

Nashville, Tenn., Aug. 11.—By a narrow margin a triple lynching was averted in Winchester, Tenn., Monday afternoon. The intended victims were Henry Judge, Joe Delph and John Evans. They are charged with killing Simon Booker and wife.

Weston, W. Va., Aug. 11.—Benj. Edgar, an old farmer, was killed with a stone Sunday night while returning from church.

WANTED FOR MURDER.

William R. Lytle Placed Under Arrest in Montgomery, Ala.

Montgomery, Ala., Aug. 11.—Under instructions from Superintendent of Police O'Neill, of Chicago, Wm. Lytle, brother of Mamie Lytle, alias Marie Gordon, was arrested here Monday night. The instructions from Chicago stated simply that Lytle was wanted there on the charge of assault to murder.

The young man was arrested at 223 Smyth street, the house formerly run by his sister. He denies having any knowledge of the shooting of Marie Gordon and refuses to return to Chicago without a formal requisition.

Chicago, Aug. 11.—William R. Lytle is wanted by the Chicago police in connection with the shooting of Jacob Smith, a Negro porter in a south side resort. The man known as Lytle visited the place in company with Marie Gordon, or Mamie Lytle, and as they were leaving the place the man engaged in a quarrel with the Negro and, it is charged, shot him. Later Marie Gordon returned to the Auditorium Annex and there attempted to end her life by shooting. At a late hour Monday night she was reported near death.

Late Monday afternoon the woman made to the police the following statement:

"My right name is Marie Gordon. I live at 223 Smyth street, Montgomery, Ala. I came to Chicago on July 29, 1903, and registered at the Auditorium hotel. On August 7, in company with W. R. Lytle, we visited a number of houses of ill fame, at the last one of which my friend became engaged in a quarrel with a colored man. I stepped into the cab which my friend had engaged and as I did so I heard a pistol shot. W. R. Lytle left the house and jumped on the box of the cab and drove away. After going some distance we left the cab on the street and I proceeded to the above named hotel. While very despondent I took a revolver which was in my satchel and shot myself twice in the left breast. I came to Chicago to kill myself. (Signed) Marie Gordon."

A STORM COMING.

Severe Hurricane Originating in the West Indies Heading For the United States.

THE CABLE SERVICE DISTURBED.

Weather Bureau Sends Warnings to All Gulf and Ocean Ports From New Orleans to Boston.

Island of Martinique Swept By the Storm and at Fort De France There Was Much Destruction of Property.

San Juan, P. R., Aug. 11.—The people of the island are alarmed over the high southeast winds which are blowing. Hurricane signals have been set by the order of the weather bureau. Barbadoes reports that a hurricane is headed northwest.

Washington, Aug. 11.—At the weather bureau Monday night it was stated that the hurricane seems to be in the neighborhood of San Domingo, but the bureau can not exactly place it because, it was added, of the absence of reports due to the unsatisfactory cable service. Such reports as have been received, however, show that the disturbance is near that island and that it has an apparent northwest movement. The bureau has advised all points in that vicinity, including the governor of Bahama islands at Nassau and all our gulf and ocean ports from New Orleans to Boston. On account of the meager advices received the weather bureau is unable to define exactly the course of the storm.

Fort De France, Martinique, Aug. 10.—The island of Martinique was swept by a hurricane of great violence Sunday night. Its duration was ten hours and it was particularly severe during two hours at Fort De France, where it caused much destruction. Hundreds of houses were unroofed and several sailing vessels were badly damaged. No fatalities, however, have been reported. The streets are encumbered with debris from the tiled roofs and the roads are impassable on account of fallen trees which were literally torn up by the roots. Several towns on the island suffered considerably, principally Trinito, St. Marie, Carbet, St. Joseph and Francois.

GEN. JOHN C. BLACK.

It Is Predicted That He Will Be the Next Commander-in-Chief.

Kansas City, Mo., Aug. 11.—J. T. Stewart, present commander-in-chief of the G. A. R., who passed through Kansas City Monday on the way to the grand encampment, said to a reporter at the depot:

"Gen. John C. Black, of Chicago, will be the next commander-in-chief. I do not think that any other candidate can win against Gen. Black. The majority of the larger departments in the country have instructed for Gen. Black and he will be elected."

"Will there be any recognition of Gen. Miles in the convention; any resolutions or thing of that kind?" was asked.

"I can not say as to that," continued Gen. Stewart. "The retirement of Gen. Miles has been so recent that any sentiment created at the time or following his retirement has hardly developed yet. It may be that there will be action taken in San Francisco that would express the appreciation of 'boys of '61' for the services rendered by a comrade in that war, especially a comrade who has since commanded the army of the United States. But, as I said before, I have no knowledge that Gen. Miles is a candidate for commander-in-chief, but I am sure that he can not be elected."

TO DELIVER OPEN NEWSPAPERS.

The Post Office Department Will Try a New Experiment.

Washington, Aug. 11.—Postmaster General Payne has decided to make the experiment of swearing in as post office department employees and employing baggage men on trains which are not provided with mail clerks to take charge of and deliver open newspaper mail. This decision has been reached after much consideration and in response to a petition filed by many of the leading newspaper publishers of the country, who asked the post office department to provide facilities for distribution of open bundles of papers along the lines from trains which carry only closed pouches. There are a large number of such trains.

Prompt and Speedy Trial.

Baton Rouge, La., Aug. 11.—In discussing the letter of President Roosevelt to Gov. Durbin, of Indiana, Gov. Heard said Monday night: "I think the remedy for lynch law is prompt and speedy trial."

Petersburg, Ky., Aug. 11.—After one week's courtship, George W. Weindle, master-at-arms of the battleship Massachusetts, recently discharged, aged 23 years, and Pearl, aged 18, daughter of Charles Seabee, of Woolper Heights, a wealthy stock-raiser eloped, and were married at the residence of Dr. Wm. J. Weindle, this city, at midnight, by Rev. Milo Atkinson. Their buggy broke down on the way here from Woolper Heights, and they were thrown into the muddy road, but were not seriously hurt, although their wedding garments were torn and bedraggled with mud.

THE CABLE POWERS TRIAL.

Twelve Witnesses Were Examined at the Monday Afternoon Session.

Georgetown, Ky., Aug. 11.—At the Monday afternoon session of court in the Powers case 12 witnesses were put on the stand, all of them old ones who have testified at former trials. They testified as to the bad character of the members of the mountain army and gave proof of the presence of Jim Howard in the state executive building at the time of the shooting. All of the telegrams sent and received by Powers and Finley for organizing the body of mountain men were also identified and sent to the jury.

Louisville, Ky., Aug. 11.—In sight of her husband and of Charles Black, of Cincinnati, who had just let go of her arm as she tried to alight from a moving L. & N. car at the First street station, Mrs. John Flotken, wife of a grocer at 2616 Slevin street, this city, fell beneath the wheels and was dragged 50 feet, being terribly mangled. She died within 15 minutes.

Killed Himself in a Buggy.

Henderson, Ky., Aug. 11.—Arthur Sandefur shot himself in the stomach with a pistol near his home at Geneva, this county. He was out buggy riding with a young lady at the time and when he attempted to shoot himself she tried to knock the pistol from his hand, but the bullet entered his stomach, inflicting the wound from which he died.

Bloodhounds Do Good Work.

Flemingsburg, Ky., Aug. 11.—Anderson White, John Judy and F. Perry, three Negroes, were lodged in jail here Monday, charged with breaking into the home of Mrs. Beula Blair, near Elizaville, Sunday night, while she was at church. Bloodhounds from Maysville trailed White, who confessed to the crime and implicated the others.

Tendered His Resignation.

Georgetown, Ky., Aug. 11.—Dr. B. D. Gray, president of Georgetown college, Monday tendered his resignation to the board of trustees to be effective September 1, 1903, in order that he may accept the position of secretary to the home mission board of the Southern Baptist convention with headquarters at Atlanta, Ga.

Died at the Age of 92 Years.

Georgetown, Ky., Aug. 11.—Word was received here Monday night of the death in Scott county of "Uncle" Daniel Gano, a highly respected citizen and planter. He was 92 years old and a brother of "Aunt" Polly Cobb, of Indiana, aged 101, and grandmother of William Jennings Bryan.

Butler, Ky., Aug. 11.—John W. Davis, Jr., committed suicide Monday morning. He secured a couple of log chains and a rope and tied them to the rafters, then climbed up the side of the barn and jumped off, breaking his neck. He had been despondent for several days.

MACEDONIAN WAR.

Insurgents Will Attempt to Intercept Turkish Reinforcements From Old Servia.

REVOLUTIONISTS WELL ARMED.

They Publish a Statement Saying That they Number 8,000 in the District of Monastir.

Three Christian Villages, Smilevo, Krouche and Bolno, Near Monastir, Have Been Entirely Destroyed By the Turkish Troops.

London, Aug. 11.—A news agency dispatch from Constantinople says the Macedonian insurgents are concentrating between Philip and Dibra for the purpose of intercepting Turkish reinforcements from Old Servia.

Sofia, Bulgaria, Aug. 11.—The representatives of the Macedonian revolutionary committee have published a statement saying that the number of insurgents in the district of Monastir is 8,000 and that they are armed with rifles purchased in Greece. It also states that August 2 600 insurgents destroyed three detachments of Turkish troops, numbering altogether 100, and attacked the town of Kitchevo but failed to occupy it. The insurgents, however, destroyed the Turkish village of Drougovo, whose inhabitants had come to the assistance of the garrison of Kitchevo. The statement further says that three Christian villages, Smilevo, Krouche and Bolno, near Monastir, have been completely destroyed by the Turkish troops.

Rome, Aug. 11.—It is stated here that there has been an exchange of views between the powers regarding the situation in Macedonia and that apparently the powers have decided to support Austria and Russia in efforts to re-establish peace. Reports previously received from Italian consuls in the Balkans predicted the present revival of the insurrection which the consuls considered to be almost entirely the work of Boris Saraffoff, the Macedonian agitator, who is now in command of the insurgents, it being pointed out that the attitude of the Bulgarian government has been correct since receiving Russia's admonition.

The plan of Saraffoff as understood here is to bring about European intervention by provoking the Turks to a massacre, and the murder of the Russian consul at Monastir, M. Rostovskii, is considered here to have played into the hands of the revolutionists in this respect. M. Rostovskii is represented here as having been a very arrogant official, who upon occasions, boxed the ears of soldiers and police whose conduct displeased him.

RUSSIAN CONSUL MURDER.

Czar Demands Exemplary Punishment of the Murderers.

St. Petersburg, Aug. 11.—The czar has demanded the exemplary punishment not only of the murderer of the Russian consul at Monastir, who was killed last week by Turkish gendarmes, but of all the military and civil officials in any way responsible for the crime. The assassination of the Russian consul at Monastir, M. Rostovskii—the second murder of a Russian consular official in Macedonia within a few months—has created intense indignation here.

DISASTROUS WRECK IN PARIS.

Ninety Persons Killed—Eighty-Two Bodies Recovered.

Paris, Aug. 11.—A catastrophe occurred Monday evening on the Metropolitan electric railway which runs mostly underground, in which many persons are believed to have lost their lives.

Eighty-two bodies have been recovered from the trains which were destroyed by fire Monday night on the Metropolitan electric railway. The total number of victims is estimated at 90. Two trains in a tunnel took fire and most of the victims were suffocated.

Finally the firemen flooded the burning mass and shortly afterward they entered the tunnel. They brought up the corpses, most of them belonging to the working class.

THE CONSPIRACY TO ASSASSINATE GOEBEL.

Another Republican who was in the cold-blooded conspiracy to assassinate Governor Goebel has at last talked, and given the details of the devilish plot, and told especially of Caleb Powers' and fugitive Taylor's connection with it. Frank Cecil, of Bell County, is the individual, and when he finished his testimony there is little doubt Powers regretted he ever obtained a new trial. The strongest point of Cecil's testimony was of a conversation held with Caleb Powers the night before the day of the murder, in which the defendant told him he was seeking a man who could be relied upon to shoot Goebel the next day, and practically offered him the job. He told Cecil that Youtsey had offered to do it but that he, Powers, was not willing to trust him to do it, and had sent to the mountains to get a man, and that this man was expected to arrive the next morning. When Cecil did not prefer his services Powers took him into the presence of Taylor in the private office of the Governor. There Taylor made the same proposition, and told him that he had \$2,500 of the Republican campaign fund left over which he would give him and a full pardon if he would do the killing. On his refusal to do so Taylor threatened him with death if he ever told of the conversation between them, and witness said he promised never to divulge it. He made Powers the same promise on two occasions, but tired of being a fugitive from his home because of what he knew, determined to confess and save himself.

No wonder Taylor fled from Kentucky after the damnable plot had been carried out. He knew when he issued that pardon to Powers he was giving it to one of the arch conspirators and in compliance with a previous arrangement. And Powers' attorneys are now relying on this very pardon to get him free. Taylor didn't have any one to issue him a pardon, but if ever a Republican Governor is elected in Kentucky about the first thing he will do will be to pardon the entire gang who brought about the murder of Goebel.

In passing on an appeal that came up from Pennsylvania the supreme tribunal of the Knights of Pythias held that Supreme Representatives must be elected by the Grand Lodge and that an election by any other method is void. In Pennsylvania Supreme Representatives were elected by Past Chancellors of subordinate lodges last year. The tribunal supported the Indiana tribunal in holding that the Grand Lodge had no right to give \$25,000 for a Pythian orphan's home.

CAUGHT THE THIEVES.

Splendid Work Done by Mason County's Bloodhound. Under Direction of Mr. N. Gollenstein.

Brief mention was made Monday by the BULLETIN of the capture of three negro thieves at Elizaville Saturday as the result of some excellent work done by Mason County's bloodhounds. A friend of the BULLETIN living at Elizaville sends the following details:

"While Mrs. Beulah Adams Blair and son were at church Friday night thieves forced an entrance into their home near Elizaville and stole about \$10 in money and smashed up some furniture. They then broke into the smoke house and stole about \$15 worth of meat. Mr. Nick Gollenstein was called by telephone, and at 10:15 a. m. Saturday arrived with the Mason County bloodhounds. After viewing the premises, the officer gave the dogs the scent and the fun began. The old dog took up the trail at once, and followed by nearly one hundred persons from all over the country, took a bee line for Hardy Spencer's, three-fourths of a mile away. The thieves had made an effort to enter Spencer's after leaving the Blair house, but were frightened away by Mrs. Spencer. From here the trail led to Thos. Byram's where Anderson White, a gentleman of color, was spotted by the dogs. When nearing Mr. Byram's, the old dog left the trail long enough to pay his respects to Peter Perry, another colored gent, who was in a crowd the dog was passing. Returning to Hardy's, another trail was struck which led to the cabin of John Duty, a colored gent, living on Doc. Sells' farm. After Deputy Sheriff Daugherty had arrested the trio, White confessed. After an affidavit by Officer Gollenstein, Mr. Daugherty took the accused to jail at Flemingsburg.

"While none of the stolen property was recovered, it's only a matter of a few days time until the entire lot will be turned up. The arrest of one more party will unearth the whole business. The dogs never made a mistake, never seemed to hesitate, but just walked up to the parties as though they were meeting old friends.

"Twenty-five dollars was paid by the citizens to Mr. Gollenstein, and a similar amount is on hand for the next robbery.

"The robbery of four houses here within two and one-half weeks, has thoroughly aroused the community, and there is talk of forming a vigilance committee.

"Mr. Gollenstein and his pets won the admiration of our people, not only for the fine work they did, but for the gentlemanly manner in which Mr. Gollenstein went about the work."

Mr. Henry Bode, living above Aberdeen, reports quite an increase in his live stock and animal pets last Friday, a calf, nine pigs and four kittens all being added to the number that day. Still some people say Friday is an unlucky day.

Maysville music lovers will have an opportunity to-night to hear Prof. Adams in selections from grand opera. His singing of sacred solos has delighted all who heard him. Among other selections to-night he will sing "Ever Bravest Hearts" from "Faust," and "Torreador" from "Carmen." To-night's entertainment will be under the auspices of the local military company, and the young men hope to see a large audience.

For a genuine good old summer time go to the Germantown fair, Aug. 26th-29th. Plenty of amusements for old and young, but nothing immoral permitted. You may safely take your children to this fair.

Mr. and Mrs. Pearce Browning's oldest son was run over by a negro who was driving recklessly past the postoffice corner. Fortunately the child escaped with only a few bruises. The negro should be given a stiff fine as a warning to others.

Announcement is made of the marriage of Mr. Pickett Oldham and Miss Anna M. Reynolds, of Cincinnati, on July 27th, by Rev. Van Kirvel of St. Xavier's Church. The groom is a son of Mr. and Mrs. G. W. Oldham and is a native of this city.

Georgetown, Ohio, after walking in the mud and on "stepping-stone" pavements for eighty-four years, has at last awakened from her sleep and will spend \$11,000 for asphalt sidewalks. The two new railroads nearing completion through the place are injecting new life into the old town.

The Bellevue correspondent of the Cincinnati Enquirer says Mr. John H. Jones, a coal merchant, and Miss Eva Hancock, a popular school teacher, accompanied Granville Moody Post to the G. A. R. National Encampment at San Francisco and would be married upon the arrival of the train there.

Capt. Jerry McNamara, with a competent corps of assistants, is harvesting the crop of weeds on some of the highways and by-ways of the city. Now is the time to do the work and do it well, and while on the subject, the authorities are reminded that the Elks fair will bring large crowds here next week, and all the streets, but the main thoroughfares especially, should receive a thorough cleaning.

Arthur Poole, aged twenty-two, of West Union, who was shot by Moody Wamsley, a son of a preacher, died Saturday after six days terrible suffering. Young Poole was shot near the heart and his condition was regarded as hopeless from the start, as the bullet lodged within a half inch of the heart. The murder has caused much excitement in West Union. Wamsley, who was out on a \$1,000 bond, was re-arrested at Georgetown, and will be held for murder. Whisky was at the bottom of the tragedy.

The Maysville Elks Fair, August 19th, 20th, 21st and 22nd, promises to be the biggest, greatest, grandest and best country fair ever held in this section. A premium list of \$1,500 is offered; the finest band ever heard on a fair ground—Weber's Military Band of Cincinnati—with twenty-five skilled musicians, and positively the greatest free attractions ever witnessed. The famous Bickett family, aerialists supreme, and Kennedy Bros.' Wild West and Roman Hippodrome, making a most brilliant program for your entertainment.

The Murray Comedy Company will open a week's engagement next Monday, Aug. 17, at popular prices, and have selected for their opening play a four-act comedy drama, "True as Steel." Messrs. Smith and Lamb have surrounded themselves with a selected company of twenty-two people and a car load of special scenery. Special permission has been secured for producing a line of plays never before seen in repertoire. Specialties between acts. Every lady accompanied by a person with a paid 30 cent ticket will be admitted free on opening night.

The Lancaster correspondent of the Courier-Journal has the following complimentary reference to one of Maysville's accomplished young ladies: "Miss Fannie Frazee, who has been the guest of her aunt, Mrs. H. C. Jennings, has returned to her home in Maysville. Miss Frazee is a successful young teacher and takes her place this fall as one of the faculty of Hamilton College, Lexington, the woman's annex of Kentucky University. Miss Frazee is a daughter of Dr. and Mrs. J. M. Frazee, of Maysville, and granddaughter of the late Circuit Judge Samuel Lusk, of Garrard. She was an instructor last year in the halls of her alma mater at Hollidaysburg, Pa."

Constable Wm. Rosser and Policeman Senteney while at the C. and O. station last night arrested three hoboes who came in as blind baggage on the 10:45 train. One gave the name of R. S. Schwartz, of Cincinnati, but papers showed he resided in Portsmouth. He had a small sum of money, Marcus Alexander, colored, formerly of this city, was another one. He had some money and a pistol. He said they intended visiting the Ripley fair. Wm. Piper gave his home as Cincinnati and had \$220. He said he drew the money yesterday intending to give it to his wife, but afterwards started for New York. The trio were lodged in jail, and will probably be held until the Cincinnati authorities are heard from. Three others in the party made their escape.

SMITH'S The New Shoe Store!

The Bee Hive!

A Great Sale—Prices Wrecked—Many Rescues.

There was great excitement at the Bee Hive on Friday, July 31st, when our Third Annual Clearance Sale was inaugurated. There was greater excitement on Saturday, August 1st, and still greater excitement on Monday, August 3d, and greater and greater excitement as each day of this sale sailed on; but the greatest excitement is yet to come. Keep your eyes opened wide and watch this space daily. A woman with one eye can see more bargains at this store than a woman with two eyes looking elsewhere. Every counter you stand by, every aisle you walk through, shows you good, seasonable goods at wrecked prices. We believe we came to your rescue in the right time. Those who cried, "We are unable to buy a new dress, are now walking around in Dame Fashion's newest creations. Your most liberal response was our greatest flattery of this sale. This sale is good for thin purses, and not bad for thick purses.

ON TO COLUMBUS.

Ohio to be Bridged and Road Built to the North.

The L. and N. People Said to Have Fully Decided to Extend Their Line From This Point.

The BULLETIN learns from a Maysville gentleman, who claims to have received his information from a reliable source, that the L. and N. people have fully decided to bridge the Ohio river at this point and extend their road to Columbus.

"My information," said the gentleman, "and it comes from an inside source, is that the extension has not only been definitely decided on, but the money for the work has already been provided and is now in bank. I understand also that the location for the bridge has been selected, and that it will cross from a point near the coal elevators, just below the mouth of Limestone Creek. A crossing from the foot of Lexington street was contemplated at first, but the location below the mouth of Limestone Creek was decided on as the best."

The BULLETIN and all others who have the welfare of Maysville at heart sincerely hope the gentleman's information is straight.

In this connection, it might be added that it is the belief of some that the L. and N. people are the real parties back of the Columbus and Ohio River road now being constructed north from Ripley, and whose southern terminus is to be at Aberdeen. It was given out at first that this road is to be a traction line, but the road is being constructed for traffic by steam. Much of the grading between Ripley and Georgetown has already been completed, the iron for the bridges is on the ground, steel rails, of the heaviest type, for thirty miles of road have been delivered at Georgetown, and track laying will likely begin this week.

It is a significant fact that one of the gentlemen most prominently identified with the C. and O. R. road recently admitted that he didn't know who was furnishing the finances for his line. Whenever money was needed it was ready for them at their bank.

The completion of this road will not only be of great importance to Maysville and Southern Ohio, but it will prove one of the most important feeders for the L. and N. and give that road connection with Northern Ohio and the lake traffic.
